GREENSBORO COLLEGE IN A CHANGING WORLD

*Volume XLX*

*1970*

*ECHO*

The old and the new . . .  
Greensboro College in a  
changing world.

*Greensboro College  
Greensboro, North Carolina*

1970 . . . a NEW era . . .  
a beginning for NEW challenges.  
We are part of a campus, a  
community, and an ever changing  
world. In all our activities we  
cannot escape the effects brought  
on by changes. Social,  
economic, administrative, political,  
and academic changes  
are facing each individual in the  
on-coming decade. We know there  
will be overwhelming challenges—  
we as a part of Greensboro College and a  
changing world, must meet them.

*1970 Echo is dedicated to Dr. Robert W. Hites*

*"What fortunes may send, good or ill. I may not have wealth, I may not be great, but I know I shall always be true, for I have in my life that courage you gave, when once I touched shoulders with you" . . . Dr. Hites. In this world of changes, each of us needs someone who we can depend upon in*

*times of uncertainty for help and advice. Dr. Hites is our friend and advisor. As Professor of Psychology, he is involved—he knows he must keep up with changes, as well as take part. An individual with insight, Dr. Hites we're glad we touched shoulders with you.*

## THE SOUL OF TIME

Time's a circumference

Whereof the segment of our station seems  
A long straight line from nothing into naught.  
Therefore we say "progress," "infinity" —  
Dull words whose object  
Hangs in the air of error and delights  
Our boyish minds ahunt for butterflies.  
For aspiration studies not the sky  
But looks for stars; the victories of faith  
Are soldiered none the less with certainties,  
And all the multitudinous armies decked  
With banners blown ahead and flute before  
March not to the desert of th'Elysian fields,  
But in the track of some discovery,  
The grip and cognizance of something true.  
Which won resolves a better distribution  
Between the dreaming mind and real truth.

I cannot understand you.

'Tis because

You lean over my meaning's edge and feel  
A dizziness of the things I have not said.

# The future is with us.

Now that the summer is gone  
Now that the winter is here  
I'm not the first to see  
who had a thirst for love  
So while the autumn is here

For every star that shines  
For every dream that is  
When things are  
you must keep  
So while my heart is here  
Good-bye.

Love is a sweet  
and held in a glass  
You can borrow  
after a while it says good-bye
